July 12, 2010

Board of Selectmen
Town of Granby
250 State Street
Granby, MA. 01033

Re: New Dog Park Location at Dufresne Park

The Dufresne Adhoc Committee (DAC) is requesting an appointment on the Select Board agenda to discuss and bring forth documentation pertaining to the creation of a new Dog Park facility. Attached you will find a drawing of the new requested design from the advocates for the Dog Park and a list of the pros and cons for three proposed areas within the park.

Since all the funding for this request will be coming from fund raisers run by the advocates, they are looking for an immediate decision so they can begin their fund raising efforts during the good weather. The advocates anticipate the cost to be approximately \$10,000.00 for the entire endeavor.

The majority of the DAC gives our number one pick as the North Corner of Rt202 and Kendall St because it satisfies the majority of the requested requirements and has the most pros and fewest cons associated with the site. The advocates also selected the North Corner of Rt 202 and Kendall St as their first pick, and are willing to accept the one con listed.

Respectfully yours,

Lisa Anderson
Chairperson Dufresne Adhoc Committee 2010-2011

MAM 7/19/10

Dog Park Site Suggestions

Pet Waste Eliminator Bags

Our Advantage

Customer Testimonials

"We purchased a couple of Pet Waste Stations at first and the situation improved greatly so we bought 3 more. Everyone found the bags very convenient to use. Ordering refill bags is easy and they arrive very quickly. The system has definitely improved the look of our community."

- Lynne Nagore

Description

This stylish triangle shaped Desert Sand colored shade material blocks up to 90% of damaging UV light to provide instant shading for almost any application. High quality knitted shade material offers a 10 year warranty against UV degradation while resisting both mold and mildew. These shade sails are made from a Heavy Duty Commercial Grade fabric specially designed for tensioning.
